**The following topics are noted as gentle REMINDERS:**

Neighbors have asked the Supervisors to remind residents about parking vehicles on BBA property, day or overnight, particularly streets along the water. There are NO PARKING signs posted, so we ask everyone's co-operation, as it is always nice to have a clear unobstructed view across the bay. It is understandable for residents or their guest to park as necessary for an occasional party or function in these areas.

**\*\*We all enjoy walking in our wonderful neighborhood so please do not forget to clean up after your pets, people DO notice, and it is your responsibility to clean up after Rover outside of your own yard and dispose of their waste appropriately. Remember our young neighbors who will be out running around bare foot this coming season! YUK!**

**\*\*\*Trash Barrels- Be a considerate neighbor, remove your trash barrels from the road as soon as possible after trash pickup, and if feasible locate them in a discreet area of your yard.**

**Speed** -The supervisors have received numerous complaints regarding vehicles driving in excess of the posted speed limits in the neighborhood, especially along Buttonwoods and Promenade Avenues. The speed limit on Buttonwoods Avenue is 25 mph, and changes to 15 mph at the second speed bump. The speed limit on all the other roads within the Buttonwoods community is 15 mph as posted, so please drive slowly, and remind all the drivers in your household to maintain these speed limits for the safety of all.

**\*\*PLEASE BE A KIND & CONSIDERATE NEIGHBOR!**
